

EasyScape® Plantable Pots Save Time, Save Labor & Reduce Planting Waste!

Ask your grower to produce your seasonal color and perennials in new EasyScape Plantable Pots. You'll save up to 30% in labor and time, cut your planting waste and speed your job site clean-up time.

- EasyScape Plantable Pots are bottomless, degradable sleeves that promote healthier root development and better post-transplant performance.
- Go straight from tray to ground and reduce planting time...plus no torn roots, less plant damage, no cut fingers, no pot removal.
- Eliminate pot pickup and disposal...just stack your trays and the job is done.

Ball EasyScape is good for the environment & good for plants!

Certified Ball EasyScape growers bring together Ball varieties grown in EasyScape Plantable Pots with organic-based Daniels Professional Plant Food...this sustainable package is good for plants and the earth!
