

Darwin Perennials University

Date: 6/16/2021 - 6/16/2021

Location: Virtual summer "semester" of perennials education & information

With our annual Darwin Perennials Day event on hiatus this year due to ongoing gathering restrictions, the Darwin Perennials team and co-sponsor Kieft Seed are pleased to launch **Darwin Perennials University**, a summer-long, on-demand experience through video education featuring top perennial genus and the latest introductions with instruction from our experts.

Darwin Perennials University training videos will be available in English and Spanish. You and your crew will learn tips and tricks for...

- Propagation
- Transplanting
- Finishing
- Selling

Sign up today ... It's FREE! Enter your email at www.darwinperennials.com/university to receive weekly notifications each time a new training course launches. The first sessions go live beginning June 16.
