

WEBINAR: 30 Perennials You Are Missing in 2023 (and why you should grow them)

Date: 1/26/2023 - 1/26/2023

Location: FREE webinar featuring Darwin Perennials and Walters Gardens Inc.

Darwin Perennials and Walters Gardens have introduced some incredible new plants over the last several years... Awards have been won; Garden Writers have raved; Growers have picked up on many of these new varieties.

But, maybe you missed seeing some of them due to the "pandemic blur"?

Never Fear! Join **Darren Barshaw** (Darwin Perennials) and **Kata Kress Wallace** (Walters Gardens) as they share the best-performing, most-exciting perennials for this coming spring, summer and fall.

Registration is now open. Sign up today! Even if you can't watch live, sign up anyway; a recording will be provided to registered attendees.

"30 Perennials You Are Missing in 2023 (and why you should grow them)"
